Adopt – A – Disaster

Gen. Bruce Pieratt (Nat'l Guard – Ret.) suggested in a Lions Club Meeting, that all adopt a sister club in Louisiana, then went further to say, each church and county could adopt a La. Counterpart.

Donations come in at a frantic pace, yet, even more could be harvested by way of a long term & secure conduit ... face to face / organization to organization.

The local media has been notified of this and many responded with “We are swamped with ideas ...” ok, welcome to a disaster. Especially, one so ill prepared for ... by a nation based on self-sufficiency and preparedness.

Bruce can be reached at 509-0578 or 859-268-9000.

LET'S GET THE GUARD HOME!
